## **Lunch**

Students bring their own lunches. We want to try to expose the children of our school to healthy ways of living. We therefore ask that you try your hardest to pack nutritional meals. We will have a snack calendar. Each child will participate in bringing, preparing and serving snacks to their school community.

## **Birthday Celebrations**

Birthdays are very special days. We will certainly celebrate each child's birthday with joy and excitement. A time of the day will be dedicated to the importance of the birth of your child into our world. We will also ask that on your child's birthday that s/he picks something to give to the school house. Nothing that costs money...perhaps something from nature, like an interesting rock or feather or leaf or maybe a picture that s/he has spent time creating. The possibilities are endless! Let them choose!

## **Dress Code**

Flagler Beach Montessori School is committed to non-violence and requests that all clothing, backpacks, and other items be **free of violent images** and pictures that represent violence. Some children are quite afraid of Spider Man, Transformers, etc. Please have your children choose clothing, lunch boxes and backpacks free of these images, as well as commercial images (such as Disney characters and TV characters). We strive to nurture our students' natural sense of respect and compassion for all people and for all other living things.

## Discipline Policy

At Flagler Beach Montessori School, we believe in **guidance** and **positive discipline** to help children learn acceptable behavior and self-control. Every effort will be made to be proactive, endeavoring to foresee and take action before problems arise. Therefore, ample **praise** and **encouragement** are used when acceptable behavior is observed. When behavior is observed that may need adjustment, the teacher will speak with the child **respectfully** and enlist the child's participation in finding more acceptable behaviors. **A range of direct guidance actions** that appropriately address the problem will be attempted by the teacher to help the child address the problem, including **redirection and setting clearly defined limits**. In all cases the child will be treated with **respect and dignity**. If the problem persists, you as the parent(s) will be asked to work with us in shaping the child's behavior to be more acceptable so we are working as a team to solve the problem.

In extreme cases or outbursts, the child may be asked to spend time at our Peace Table to reflect or regain composure. When the child feels ready to discuss the incident, s/he will do so with the teacher and the children involved. Incidents will be reported to the families involved.

If a child's behavior causes a concern for the safety of either himself or anyone else, parents will be called to pick up their child immediately. Teachers may request conferences with the parents if there are recurring problems or concerns

Punishment is inconsistent with Flagler Montessori philosophy for child growth and development and will not be tolerated.

## **Introducing ... .. YOUR Beautiful Child and family**

*This information will certainly give us a deeper understanding of your little ones' present ways of taking in the surrounding world along with everyone and everything in it. We want to honor the feelings they passionately experience and we want to honor all of the ways that they live life. We will work to create an environment and a relationship that brings feelings of comfort and joy and feelings of being understood for each child. Time away from you and your home is precious time. We work for the heart and from the heart.*

Please let us know anything that may cause any uncomfortable feelings

What experiences create the most joy and inspiration?

Would you like to be part of creating children with a global perspective? We would love for your family to share some of the traditions that you share together (whether they are cultural, religious, spiritual or family-made). Please feel free to share with our school in the form of little presentations made to our children throughout the year. Please let us know below what you may like to share. We honor each and everyone and thank you for being part of this community and this journey together.
